## Care Manager – Support at Home (Registered Nurse)

Cobram Regional Care is a stand-alone, not for profit organisation that has been providing professional, quality aged care services to the local community for over 30 years. Since expanding into Home Care in 2021, we have remained committed to providing high-quality, local care.

With our continued growth and increasing number of Support at Home Clients, we have an exciting opportunity for a Registered Nurse (RN) to join our dedicated Home Care Team as a Care Manager, supporting older people to live safely and independently in their own home through the Support at Home program.

We are looking for a self-motivated professional with a drive to make a genuine contribution to our organisation, the industry, and the local community. A commitment to continuous improvement and maintaining the highest standards of clinical excellence is essential for success in this role.

The successful applicant will work autonomously to deliver person centred care and support whilst promoting independence and well-being to support our clients.

This is a Permanent Part Time position (32 Hours per week)

The successful applicant will be responsible for the assessments, referrals, service coordination and ongoing Care Management of Support at Home clients.
